Last day of operations for solid waste staging area at Kepuhi Point set for May 31

County officials are announcing that the last day of operations for the solid waste staging area located at Kepuhi Point will be May 31.

“Mahalo to our state partners for allowing the County of Kaua‘i the use of this site for over the past year,” said Deputy County Engineer Lyle Tabata. “As part of our agreement, the County of Kaua‘i will be restoring this site prior to the reopening of Kūhiō Highway – which is targeted for June 13, set by the Hawai‘i Department of Transportation.”

The staging area at Kepuhi Point is currently open on Wednesdays, Saturdays, and Sundays from 8 a.m. to 4 p.m.; and will be open for operations on Friday, May 31.

The Solid Waste Division encourages residents to utilize the Hanalei refuse transfer station, which is open 7:15 a.m. to 3:15 p.m. daily. Additionally, green waste service is also available, weather permitting, from 8 a.m. to 3 p.m. daily.

Residents who do not have refuse collection service may download forms online at <https://www.kauai.gov/RefuseCollection> or call 241-4091.

For more information, please call the Solid Waste Division at 241-4841.
